February is a month of prayer and discernment for us as a congregation and our denomination as a whole.

By the time you receive this, we will likely have completed our Missional Church Consultation Initiative weekend February 1-3. During this time we will have asked - and been asked! - any number of questions about where God is calling our church to go next. During February and early March, we have town hall events to listen to one another about the MCCI report, and to prayerfully consider what it would mean to adopt it.

Additionally, our denomination will have a special gathering in St. Louis toward the end of the month to prayerfully consider plans to move forward regarding the long-standing conversation of how the church ought to handle questions of human sexuality. In different parts of the world, there are very different questions being asked about this; all of us are invited to pray for the delegates and bishops who will be on hand.

Perhaps it is fortuitous - maybe even the Spirit at work - that both our own congregation's process and the denomination's wrestling are taking place in the same time frame; being a follower of Jesus has always been a hard road to travel, and this is a month we do not have the luxury of pretending otherwise. It is a time of reflection, of hope, of discernment, of decision.

So that is the big picture. . .and even as I write this, I do so with the ache in my heart of the grief of so many in our church family who are facing loss, facing un-asked for transitions, facing questions of what will happen tomorrow. If this is you, know that your pastors are praying for you.

Onward, friends. God meet you where you are today, and lead us all forward.

Jeremiah 6:16
This is what the Lord says:
Stand at the crossroads and look; ask for the ancient paths, ask where the good way is, and walk in it - and you will find rest for your souls."

Blessings,
Pastor Rachel

**Beyond New Year’s resolutions - A message from Stewardship & Finance**

While New Year’s Day occurred more than a month ago it is never too late to resolve to be more spiritual and to keep Jesus at the center of our lives. We can re-make this resolution every day by faithfully intending to be more grateful and generous.

Gratitude is a spiritual practice that changes lives by shifting one’s focus from what one doesn’t have to what one does have. Generosity, sharing what one has, is a way to express gratitude. Financially supporting our church and its ministries is a straightforward way of expressing both gratitude and generosity. Give and ye shall receive.

As Christians we don’t expect to master spiritual practices this week or even this year but we can earnestly strive to be more spiritual at any point in time. It is an on-going practice. A resolution we can re-make daily.

Happy New Year.

Where is the Church Library, you might well ask. It’s in several places if you think outside the box, or “library.”

One location the Library is in, is in the library! Go down the hall past Fellowship Hall, past the Reception Room (Adult Forum meets there), past some interesting art work and come upon it across from the first of the Sunday School rooms. Please browse the shelves. Check out books, magazines, CDs. Don’t forget the Children’s and Youth section. The check-out sheet is, interestingly enough, on the Library desk.

Ah, what else is on the desk? Another good question. Your library committee members display resources which relate to current sermon and Adult Forum themes, seasonal material, and current issues the church is dealing with.

One more place...you already walked by it...is a display table in Fellowship Hall. The set up is similar to the smaller library desk display.

Did I mention the bulletin board outside Fellowship Hall whetting your curiosity?
Finally, don’t forget, more could still be on the shelves in your library.

“Cold? Get a book. You’ll still be cold but at least you’ll have a book”.

Every Tuesday and Thursday morning, we are opening our gym to young families around the community who would like to bring their little ones to play. It’s a great opportunity for them to get out of the house, and run off some energy. We have some fun play equipment, a play house, scooters, balls, parachute, play tunnels, trikes, and a bouncy house!

It’s also a great way to meet and create friendships with other young families in our neighborhoods. Please invite your friends, neighbors, co-workers, childcare providers and family. Spread the word! Contact Kathy Hupf at the church with questions.

**February 3 - MCCI Weekend**
No Sunday school – one worship service at 9:30 am. Join us for the entire weekend and help us discover who God is calling us to be as a congregation

**Kids Club**
In February, we’ll be making and sending fun and tasty care packages to our college freshmen from our church. Hold them in your prayers as our young people learn about sharing God’s love, serving others, and being a part of a caring church family. We are also learning about the Beatitudes.

**Kids PopC Clubhouse for Kids**

Pizza dinner and snacks will be served. If you are new to PopC Clubhouse, please RSVP to Michelle Gibbs at 917-231-6035. **Sunday School Mission Project:**
**Children International**
Each week the children are collecting an offering during Sunday school to sponsor a child from Guatemala through the Children International program. His name is Jorge, and the children really enjoy communicating with him and hearing about life as a child in Guatemala and knowing that God is at work in places all around our world. Parents, please remember to send a small offering with your child each week if possible. Thank you.

**Lent**
Lent begins on Ash Wednesday, March 6 and ends on April 20 with Easter being April 21st. This season of Lent, take time to draw closer to God through prayer and devotion. What's ahead for ISAIAH in the next four months?
ISAIAH-MN has launched its agenda for the 2019 Minnesota Legislative Session. We are focused on giving support to legislative action with appropriated funding that seven areas – improving lives of all Minnesotans. These areas are -

- CLIMATE JUSTICE, committing to a plan that gets MN to 100% clean energy
- PAID FAMILY LEAVE, so we are able to care for our families in extraordinary circumstances
- DRIVER’S LICENSES FOR IMMIGRANTS, restoring a right that was eliminated in 2003
- RESTORING THE VOTE, eliminating restrictions on voting, particularly those affecting people of color
- CHILD CARE, providing more quality and affordable care
- HEALTH CARE, valuing people over profits
- COMBATING THREATS AGAINST MUSLIMS, such things as surveillance, harassment, and attacks

Are these issues important to you? You can make your voice heard by attending town meetings and/or contacting your legislators personally by phone, email, or showing up at local offices. A brief listing of these representatives is available on the Welcome Table for you to take.

To receive email notices of opportunities for action, sign up at the Welcome Table or contact Evelyn Burry at evelynburry@hotmail.com or 507-645-7481.

The adult forum is held from 10:00-10:45 am in the Reception Room
In February we will spend our time in the adult forum exploring our faith and our changing church. One change we are making immediately to include new people in our adult discipleship: whereas for the past 18 months the adult forum has begun at 9:30 am and gone until 10:15 am, the forum will now be set to begin at 10:00 am and conclude at 10:45 am. The forum will begin after the first service and conclude with the beginning of the second service. Your forum team hopes that now no one will have to choose between worship and smaller-group discipleship opportunities.

February 3: MCCI Weekend - No adult forum
We have been in a months-long Missional Church Consultation Initiative process to better focus our missions and increase our impact in Northfield. On February 3 we will have one worship service and ALL members of the church are invited to attend in order to hear the recommendations of the team that has been researching our congregation and mission field.

February 10: Reflecting on the recommendations
Having heard last week about the initiatives that will magnify our effectiveness as a congregation, we will take time in this adult forum to reflect on what we heard. What's exciting? What's energizing? What questions do we have?

February 17: How to Read a Pauline Letter
We continue John Dominic Crossan’s study, "The Challenge of Paul," by learning how the original readers of Paul's epistles understood what Paul was saying. What was customary then that we misinterpret now? What is their real meaning for us today? This session will help us all to better understand the Bible.

February 24: The Romanization of a Radical
Continuing "The Challenge of Paul" we will learn about the original Paul, an itinerant teacher who invited Romans and Jews into a life of resistance against Rome’s oppressive regime of economic exploitation and occupational violence.
Annually the American Burn Association (ABA) sponsors the National Burn Awareness Week. This year it takes place from February 3-9, 2019. The #1 cause of home fires is cooking accidents. They are responsible for 47% of home fires. Primary prevention and secondary prevention ideas are listed on the ABA’s website www.ameriburn.org.

Below are a few of the suggestions.

**Primary Prevention**
- Do not cook when drowsy from medications or alcohol
- Clean stove and oven frequently to keep free of grease build-up
- Always keep oven mits or pot holders and pan lids handy when cooking
- Turn pan handles toward the back of the stove
- Use microwave containers with lids that let steam escape
- Use a lid or splash guard when frying foods
- Stay in the kitchen while grilling, frying, or broiling food.
- Turn off stove if you have to leave

**Secondary Prevention (if food is on fire)**
- Cover pan with lid or cookie sheet, turn burner off, but don’t move hot pan
- NEVER put water on a kitchen fire
- Keep the door closed on an oven or microwave fire until it is cool
- If the fire is out of control, “get out, stay out, call 911”, don’t re-enter the house

“Be burn aware!” is the slogan from Shriners Hospitals for Children. The website www.shrinershospitalsforchildren.org lists excellent tips for electrical, fire, and home safety.

**Electrical safety**
- In homes with young children place covers on electrical outlets, unplug electrical items within a child’s reach, and teach children to keep hand off electrical cords and outlets.
- Keep clothes dryers free of lint accumulation, don’t force a 3-prong plug into a 2-prong plug outlet, use correct wattage light bulbs, and keep clothes, curtains, and other flammable items away from heat sources. Stay away from areas marked DANGER: HIGH VOLTAGE
- Contact a qualified electrician if outlets and switches are warm or discolored or if lights flicker.

**Fire Safety**
- Help prevent fires by: following safe cooking practices, install and maintain smoke detectors, keep matches and lighters locked away from children, don’t leave lighted candles unattended, use fireplace screens, and take care using portable heaters.
- Be prepared for a fire by: having an escape plan and practicing it with children, (“learn two ways out of every room and agree on a meeting place outside the building”). Don’t open a door if smoke is visible under it or the handle is hot. If there is no smoke or heat, open the door and proceed to an exit while staying low to the ground. After exiting call 911.

**Home Safety**
- Store flammable liquids properly and chemicals and cleansers in a locked cabinet.
- Always supervise children in the kitchen, but do not use deep-fryers with children present.
- Set household water heaters no higher than 120 degrees F., always supervise children in the bath, check the bath water temperature by moving hands through the water or with a thermometer (104 degrees F. or less), and place a child at the far end of the tub away from the faucets.

The next blood pressure screening will be on February 10th at 10:00 and 11:45 am.

CALLING ALL KNITTERS AND CROCHETERS

The United Methodist General Conference will be held in Minneapolis in 2020. United Methodists in Minnesota, North and South Dakota are being asked to knit or crochet 10,000 purple scarves. The color purple was selected because of the Minnesota Vikings and Prince. The intent of this project is to greet every delegate, dignitary, bishop and spouse with a handmade scarf. This initiative is being called the Lydia Project, after Lydia in Acts 16.

Copies of suggested patterns are available in the church office. However, you are welcome to use any pattern you like. Please use acrylic yarn. The finished scarf should be 6-7 inches wide and at least 60 inches long.

As the scarves are being created, we ask that the creators pray for the General Conference 2020 and for the recipient of their scarves.

Thalia Duffield is our contact person. Her phone number is 218-839-9314. She will be able to answer any questions you might have. Please contact Thalia or Merrell Thornton 645-9821 (ASAP) to give them an idea of how many scarves you are willing to create so we can identify the number of scarves our congregation will be providing. Once our congregation commits to a specific number of scarves, we will receive that number of tags; the tags will have a space for the creator to write his or her name and church, and to put a dot a on a map of the Dakotas-Minnesota Area that indicates the creators location.

If you are a non-knitter or crocheter and would like to donate money for some yarn, you may give the money to either Merrell or Thalia. Let’s have fun with this project!
The mission trip to Costa Rica was definitely an adventure in God’s love. Through the Strong Missions program, we were able to meet many of the people in the communities and see where Strong Missions is serving and changing lives in Costa Rica, including a community called Los Guidos where need is great, but a heart for God is very present. We served a meal, led a children’s program, taught women to sew, and began work on turning a mudslide refuse area into a garden and park/playground for all the families.

Throughout the two weeks, Dorothy led a team of seamstresses in making several beautiful children’s dresses and shorts, as well as warm blankets for their homes. We helped with the construction work of the expansion of a nearby orphanage, built donation boxes to be placed in area restaurants, churches, and stores, and planted a garden at the mission site to be used as a community garden and to help supply the mission site with fresh produce.

Being the hands and feet of Christ in Costa Rica has opened our eyes and hearts even wider, to the needs in the world around us. God is good.
Because every picture has a story to tell...

We kicked off the new year by making sandwiches for the guests of Simpson Housing Services in Minneapolis; the sandwiches are given as lunches to those leaving the shelter for the day. God bless those who made them, and those who will receive them - we are closer kin than we know.

One of our SALT (Serving and Learning Together) project was decorating cookies to share with church family members, many of whom don't get out as much as they used to - as Jesus meets us where we are, so we can go to others where they are, cookies in hand, as a sign of divine love.

Volunteers with the Community Action Center of Northfield were overjoyed to see what you donated for Operation Joy, a Christmas gift-giving ministry to children in Northfield.

It was another beautiful (and entertaining) Christmas story performance by our children and youth this year!

Great work for the team from NUMC at Feed My Starving Children - thanks be to God for all who lend their efforts and resources to feed hungry children, and we pray for the day when such efforts are no longer needed!

Our Advent Service for Peace and Healing - for people grieving, struggling, or for whom this time of year brings pain for any reason - found us chanting psalms of lament and hope, lighting candles against the darkening night, and offering each other the gift of silence.

NUMC dancers reminded us how to carry each other - may you be carried when you need it, or offer your strength to others.

What a fun day of bowling for our Kids Club! Nearly 40 children invaded the Jesse James Lanes for an hour, sharing some fun and friendship. Thanks to all the adult helpers who made it possible!

"As for me and my bounce house, we will serve the Lord." - Pastor Jerad

Northfield United Methodist Church offers an electronic option for our monthly newsletter. By having our newsletter available electronically, we will save costs on paper, postage and copier usage. The newsletter will still be available to those who want to receive a hard copy in the mail.

For those that sign up, you will receive an e-mail directing you to a link to view the newsletter. If you have more than one member in the household that would like to receive this e-mail, please list them also.

Please cut out this form, fill in the information and place it in the basket in the church office or place it in the offering plate on Sunday mornings.

Please print clearly! Thank you!
