Greeting and Welcome

+Call to Worship

We come from good stock, and we come
from troubled souls.

**Those who came before us were fully
human, with beauty and brokenness.**

We are family to people whose lives are as
messy as our own.

**Those we love in this moment are just like
us in beauty and brokenness.**

We are, in both knowing and unknowing
ways, creating the future for those who
will come after.

**Those who follow us will live with the
legacy of our own beauty and brokenness.**

God has been at work before us; God is in
action now;

**God is already preparing the road for all
who will come next. Alleluia!**
