WELCOME

Prelude *Blessed Be Your Name*
Matt and Beth Redman

Greeting and Welcome

+Call to Worship

We come from good stock, and we come from troubled souls.

Those who came before us were fully human, with beauty and brokenness.

We are family to people whose lives are as messy as our own.

Those we love in this moment are just like us in beauty and brokenness.

We are, in both knowing and unknowing ways, creating the future for those who will come after.

Those who follow us will live with the legacy of our own beauty and brokenness.

God has been at work before us; God is in action now;

God is already preparing the road for all who will come next. Alleluia!
